WHO WE ARE

PURPOSE

Life depends on water.

Repipe Specialists exists to provide superior, high-quality piping systems and service that deliver clean, clear, flowing water that is essential for everyday living. We are committed to providing high-quality home repipes with an excellent customer experience.

KEY FACTS

- Founded in 1991 with consistent growth and expansion.
- Headquarters: Burbank, CA.
- Largest repipe company in America.

LEADERSHIP

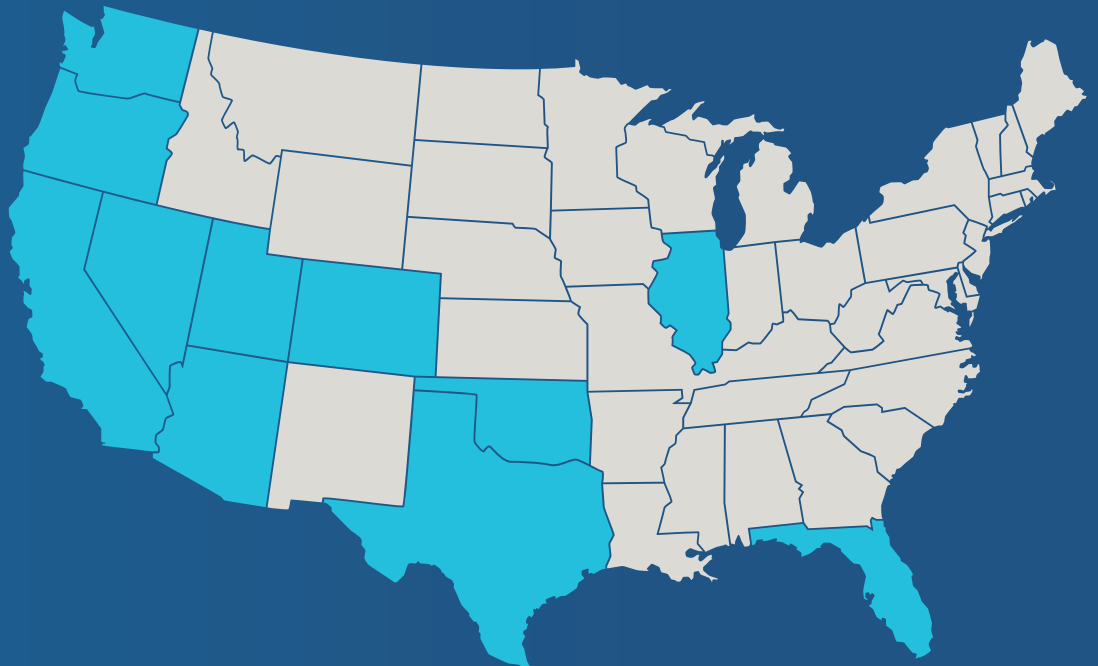

Our experienced leadership, from established home service companies, such as Home Depot, TruGreen, Brinks Home, Leaf Home, and Empire Today, pulls in relevant experience to deliver consistent results.

EXPERTISE

- ✓ Whole-home repipes in 1–2 days
- ✓ Proprietary One-Stop Repipe™ Process
- ✓ 30+ years of experience
- ✓ 75,000+ repipes completed
- ✓ Nationally strong. Locally rooted.

LOCATIONS

Serving 11 states in 57 locations
throughout the US.

PROGRAM

We had four trucks when we first started with Repipe Specialists. We're up to seven now, and we've doubled the number of employees. This is largely due to the amount of work given to us by Repipe Specialists."

—Billy

I want to take a moment to express my gratitude for the great support that I receive from Repipe Specialists and the opportunity to keep working with a company who keeps the doors open for new projects."

—Cornelio

1 Increase your revenue and grow your business.

Focus your time on installing jobs, not chasing leads, to help secure your company's long-term success and financial security.

2 Share in our 30+ years of repiping expertise and best practices.

Learn how to do more repipes in less time to earn more money—and, if needed, we will assist you with certifications and insurance.

OVERVIEW

3 Consistent job flow from a national brand.

Our year-round localized advertising campaign and teams deliver ongoing sold jobs. Our team delivers consistent jobs while your team focuses on exceptional installs!

4 Sales and operations are handled by our experts.

We have over 50+ employees to manage the customer acquisition process: scheduling in-home estimates, executing sales, and 24/7 call center support.

5 Get paid quickly—twice per week.

We pay two times a week. We give you full visibility and immediate access to your money.

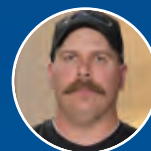

I look at Repipe Specialists as the sales force and customer relations arm of my business. They go out there and fight the competition to get the job for us. They will walk with the customer, negotiate the terms and the scope of work, and get the contract signed for us."

—Greg

*It's really nice to be partnered with Repipe Specialists since **they do the advertising and marketing.** **And they sell the jobs really well.** So all I really have to do is go do the work, which I'm really good at."*

—Jayson
